## Boğaziçi University Summer Term

---

Boğaziçi University was officially established in 1971 as a Turkish public university, but its history goes back to 1863, date of the foundation of Robert College, the first American college set up outside the United States. With the transfer of this institution to the Turkish state, Boğaziçi University became the direct heir to both the excellent facilities of Robert College and to its distinguished academic traditions. The university includes four faculties offering undergraduate programs, six graduate institutes, a School of Applied Disciplines, and a School of Foreign Languages.

Today, Boğaziçi University's highest standards in education and research are acknowledged throughout the world. Its excellent and well-deserved academic reputation attracts the best students in the country. The flexibility of its academic programs, the wide range of courses offered, and the emphasis on interdisciplinary curricula are significant advantages that characterize and distinguish the institution. Moreover, the university's academic programs are enhanced by a strong tradition of extra-curricular activities, which play an important role in campus life. In short, Summer Term at Boğaziçi University is a perfect occasion for foreign students to combine the pursuit of their own academic program with the discovery and experiencing of Turkish culture, society, and history through a wide range of courses, activities, and personal contacts.

## Accomodation

Living on campus is the best way to participate in campus life. Our residence hall is a safe environment. Superdorm offers coed housing options where you can choose between 2, 3, 4 or 5 bedroom suites.

Superdorm is established on the campus of “Uçaksavar Culture and Sports Facilities” of Boğaziçi University in the residential area of Istanbul called Etiler. It is about 2,5 km or a 15-minute walk from the main campus, called “South Campus”.

The dormitory, consisting of 5-floored 5 blocks under the same roof is built mainly with generous donations from alumni and friends.
