E-MAIL: filozofski.simpozij@gmail.com

The Department of Philosophy (Faculty of Arts, University of Maribor) and its students are honoured to invite you to the second annual international Philosophy Students' Symposium.

The event will take place on 11th and/or 12th April, 2017 (pending the number of applications). The exact date will be known after we receive all the applications.

The topic this year is limited to analytic philosophy from all possible angles (e.g. criticism of analytic philosophy from a continental point of view is also acceptable).

In order to apply you must send us an abstract of your work, approximately **500 words** long. Send your abstract, along with your personal information (name, surname, department, faculty, university, e-mail), by **February 28**, to the following e-mail: filozofski.simpozij@gmail.com. Send the abstract and your personal information in two separate files ready for a blind review. We would appreciate it if the abstracts sent were in the English language.

The selection of papers eligible for the presentation will have been made by **March 11**, when all the accepted applicants will be notified.

The articles presented at the symposium will be published in a peer reviewed student compendium.

Please, if you have any further questions, do not hesitate to write. We look forward to your applications.

Sincerely,

Students of the Department of Philosophy, Faculty of Arts, University of Maribor
