

TRAIN TO MOVE (T2M)

Università degli Studi di Torino

Beneficiaries

T2M target are experienced researchers. To be eligible to participate, researchers have to comply both with the mobility rule and with the required research experience.

MOBILITY RULE

- T2M eligible researchers are experienced researchers who must not have resided or carried out their main activity (work, studies, etc.) in Italy for more than 12 months in the 3 years immediately prior to the closing date for submitting proposals.

RESEARCH EXPERIENCE

- T2M eligible researchers have up to 7 years of research experience after PhD completion, or alternatively
- T2M eligible researchers have a track record of 4 to 10 years in research after MSc degree.

Research experience is calculated starting from the time of call deadline.

Both researchers resuming their career after a break and researchers having previously undergone one or more career breaks are eligible to apply, as long as they are able to demonstrate at least 4 consecutive years of full time commitment in research within their overall track record.

How to Apply

If you are interested in applying to the call for proposals, please follow the next steps:

1. carefully read all documents you find in the application package section, with specific attention to the Call for proposals, the Guide for applicants and the Evaluation and Selection dedicated page.
2. while shaping your project proposal, please carefully consider the scientific panel and the research areas and the corresponding hosting departments. As far as the application is concerned, applicants will be in the position to choose up to three research areas proposed by the hosting departments in which their proposals will best fit in order of priority. As proposals could be interdisciplinary and involve 3 research areas, applicants will choose the research areas in order of priority and the first choice will be made according to be most relevant to research purposes than the others.
3. after checking you respect the eligibility criteria (mobility rule and research experience), register yourself in the programme web site, through the creation of a new account.
4. by creating your account, please enter your profile data (name and contact details) in the log in section on the home page.
5. after registration, activate your account by clicking on the link you received from the system by email. If you don't receive the mail in 24 hours please contact train2move@unito.it
6. enter the restricted area by using your account and download the templates for form A and form B
7. accurately fill in the templates and once ready convert them into a pdf file version.
8. upload the pdf files of your proposal and submit. You can resubmit your proposal until the call deadline. Only the last version will be considered.
