

Preliminary Programme
2017 Summer School of Scientific Communication: Communicating science to a broader audience
Split, 26–30 June 2017

Organizers:

University of Split School of Medicine

Faculty of Humanities and Social Sciences, University of Zagreb

Translational Research in Biomedicine (TRIBES) PhD Programme, University of Split School of Medicine

Chairs of the School:

Prof. Ana Marušić, MD, PhD, University of Split School of Medicine, Split, Croatia

Prof. Ida Raffaelli, PhD, University of Zagreb Faculty of Humanities and Social Sciences, Zagreb, Croatia

Lecturers/Scientific Committee:

Assist Prof. David Butz Pedersen, PhD, University of Copenhagen, Copenhagen, Denmark

Assist. Prof. Darko Hren, PhD, University of Split School of Humanities and Social Sciences, Split, Croatia

Sabine Kleinert, MD, *The Lancet*

Academician Prof. Igor Vlahović, PhD, University of Zagreb Faculty of Mining, Geology & Petroleum Engineering, Zagreb, Croatia

Prof. Elizabeth Wager, PhD, Sideview and , UK

Day 1 – MONDAY

13:00 Welcome and introductions

13:30 Lecture – Communicating results of scientific research to different audiences

14:30 Coffee/tea break

15:00 Scientific Conference on Multidisciplinary research

Mad Minutes: Participants will present their research in a 5-minute oral presentation, followed by 5-minute discussion.

17:00 Close of the day: Questions and answers

Day 2 – TUESDAY

9:00 Lecture – Defining the message of the paper: Introduction

10:30 Coffee break

11:00 Lecture – How to communicate science to society? What tools do we need for a successful communication between scientists?

12:00 Lunch (on your own)

14:00 Paper Clinic I: Practical work on the Introduction sections of the manuscript

15:00 Coffee break

15:30 Paper Clinic I, continued

16:30 Questions and answers; evaluation of students' work

Day 3 – WEDNESDAY

9:00 Lecture – Structure of the scientific article: Methods and Results

10:30 Coffee break

11:00 Responsible research and innovation

12:00 Lunch (on your own)

14:00 Paper Clinic II: Practical work on the Methods and Results sections of the manuscript

15:00 Coffee break

15:30 Paper Clinic II, continued

16:30 Questions and answers; evaluation of students' work

Day 4 – THURSDAY

9:00 Lecture – Structure of the scientific article: Writing articles in humanities

10:30 Coffee break

11:00 Lecture – Structure of the scientific article: Discussion

12:00 Lunch (on your own)

14:00 Paper Clinic III: Practical work on the Methods and Results sections of the manuscript

15:00 Coffee break
15:30 Paper Clinic III, continued
16:30 Questions and answers; evaluation of students' work

Day 5 – FRIDAY

9:00 Lecture – Around IMRAD: title, abstract, acknowledgments, disclosures, references
10:00 Paper Clinic IV: Practical work – writing a submission letter, reviewing exercise (participants will be reviewing each other's abstracts).
11:00 Coffee break
11:30 Paper Clinic IV, continued
12:30 Peer-review: perspective from different disciplines – all lecturers
13:30 evaluation of the course
14:30 End of the Summer School

Students are expected to bring their own computer. School's computer room will be also available.
