**Sažetak izlaganja:** This lecture will present results of the anthropological research among Mapuche aboriginal people from the northern Patagonian provinces of Rio Negro and Neuquen in southern Argentina. The main goal of the research was to gather information about Mapuche ethnic and political revival, which began after the end of the last military dictatorship in December 1983. The changes of policies dealing with the rights of indigenous people, which have occurred during the last 30 years, are discussed in the context of state and regional political and economic transformations, and activities of Mapuche indigenous organizations.

**mobilnaEKA – Platforma za mobilnost i međunarodnu suradnju etnologa i kulturnih antropologa**

Platforma je jedna od inicijativa Odsjeka za etnologiju i kulturnu antropologiju Filozofskoga fakulteta u Zagrebu, aktivna od 2013. godine, kojom se potiče i jača suradnja domaćih i inozemnih etnologa i kulturnih antropologa i znanstvenika srodnih disciplina. Organizacijom različitih događanja – radionica, predavanja, okruglih stolova i sl. – stvaramo prostor za razmjenu znanja i istraživačkih iskustava, za učvršćivanje veza domaćih i inozemnih znanstvenih institucija, za pokretanje zajedničkih istraživačkih projekata te za kritičko promišljanje akademske mobilnosti kao jednog od naglasaka znanstvenih politika.
